19th Notice for September **Pull-out Chinese Language Programme for NCS-Students**

28th September, 2020

Dear Parents / Guardians,

Based on the assessment provided by Education Bureau (EDB) and the school exam results of Chinese Language, the Non-native Chinese speaking students (NCS) are going to participate in the Pull-out Chinese Language Programme.

Students under the Pull-out Programme will be assessed and graded separately from the mainstream students, and will be identified with the words “adjusted curriculum” on their report cards. This programme lasts for six years (S.1-S.6). The foundation of the curriculum will be elementary Chinese, and will be designed according to the authentic, communicative usage of second language. After achieving a satisfactory level of Chinese competence, NCS students will be assigned to the mainstream Chinese classes to continue their Chinese learning.

Meanwhile, the following Chinese tutorial classes are organised to enrich NCS students’ Chinese vocabulary, through incorporating interactive approaches to the four learning skills – writing, reading, listening and speaking. In addition, the tailor-made collaborating Chinese learning activities can help students improve their academic results efficiently.

Details of the programme are as follows:
